

Calling all nurses, paramedics
and those with First Aid
Training.

Your help is greatly needed in
the First Aid Room at Grand Chapter.

The more who are willing to help, the less
time each will need to be available, so get a
fellow nurse, paramedic, etc. and volunteer to
work in the First Aid Room at Grand Chapter.

If you are able to help, or have questions
please call Peggy Mills at 253-472-6551. I am
looking forward to getting your call.
