Part III - Penal Code

Section 2101 through 2135

PURPOSE: To change the Section Numbers in the Penal Code to begin with a "3", i.e. 3101 instead of 2101. The Penal Code is a separate document from the By-Laws and by renumbering the sections it would clarify that the Penal Code is its own separate living document.

TEXT OF REVISION:

Section ~~2101~~ 3101, and renumbering each consecutive section ending with Section ~~2135~~ 3135, and continuing with any sections that would be added thereafter.

WHICH WHEN APPROVED THE NEXT REVISION WOULD REFLECT:

Sections renumbered starting with Section 3101 continuing though Section 3135, and continuing with any sections that would be added thereafter.
