

FOR WORTHY MATRON TO READ

How many of us in the Masonic Family have ever given thought to the wonderful Biblical lessons that Masonry has taught?

Have you ever asked yourselves this question:--
"If our men weren't Masons,
What kind of men would they be?"

I know nothing of their secret work,
But this much I understand:
That the lessons taught in masonry have made them better men.

So ask yourselves this question, which often comes to me,
"If our men weren't Masons, what kind of men would they be?"

Some say that men make Masonry, and this I understand, but deep in my heart, I still maintain, "That Masonry makes the men!"

High moral standards and caring for and protecting each other, having love and compassion and honesty toward each other is what Masonry is all about.

Again, "If our men weren't Masons, what kind of men would they be?"

So as we journey the highway together, to the inner things of life, I pray that their teachings may go on forever.

I'm proud that I was a Mason's wife!
