W M.: Sister Marshall, you will conduct our Worthy Grand Matron through our winter wonderland and to the altar for introduction.

Marshal follows sketch of march to each point;

Adah: In this wonderland of ours  
You'll find all our colors true  
The blue ray speaks of Fidelity  
We wish to give to you

Ruth: The golden ray of Constancy  
Brings to this winter whiteness  
A wealth of golden sunshine  
To make its shining brightnes

Esther: All the colors of our star  
Make this white wonderland;  
And so the light of Loyalty  
Is entrusted to our hand.

Martha:

Martha: The light of Immortality  
In Martha's ray is seen.  
We're reminded of life eternal  
By the winter ~~XXXXXX~~ evergreen.

Electa: In this ray of fervent red  
Comes a message from above,  
Bringing to our winterland  
The warmth of all our love.

~~Choir sang:~~ (tune; Winter Wonderland)

Carol

Una, dear, we are singing, In our ear, song is ringing,  
We're happy, you see, That you here may be,  
Strolling through this winter wonderland.  
Your'e loyal, You're true, You have constancy, too  
And we know tonight your faith is so bright  
Strolling through this winter wonderland.  
In our chapter we have made this garden,  
From the rays of our Eastern Star;  
You have gathered symbols of our lessons  
To carry with you as you go afar..  
When you leave our chapter, May you have everafter,  
The memory safe of friends that you've made  
Strolling through our Winter Wonderland.

Marshal: W M? I have the honor to present etc. as per book  
of instructions.

Note; decorations in the chapter room were natural and frosted  
evergreens. Meeting was in January.
