Dear Sisters & Brothers,

There have been some questions about the letters of recommendation for non-Masonic related petitions.

- The OES sister and OES brother don't have to be members of the same chapter as the person they are recommending.
- They cannot be signers on the petition.
- They cannot be on the investigation committee.

I have had some changes regarding Grand Chapter Committees:

- Ritual Committee: Jennifer Fuher, Victory Chapter, will replace Vicki Voorhees.
- WGM & WGP Special Project - Service Dogs for Washington: Peggy Mills, PGM, Vida Chapter, will replace Kimberly Kent.

These were both for personal and family obligations.

- Finance: Alice Hughes, Henry Wentworth Chapter, will replace Nadeane Jantz due to her passing in September 2024.

Happy Trails,

Eileen K. Winstead
